英语面试感谢信范文一

Dear Mr. xxx,

Thank you so much for meeting with me yesterday at xxxxx. I really enjoyed discussing the mechanical engineering internship (#254987) posted for this coming summer and learning more about Allied Aircraft. I believe that my skills and abilities mesh well with the requirements for the position.

As I mentioned during the interview, I am currently a junior in the mechanical engineering program here at Penn State. Through my course work, I have gained experience in project management, teamwork, and leadership. Additionally, my previous work experience as a shift manager at McDonalds has given me practical experience in utilizing problem-solving techniques and teambuilding skills both important qualities as indicated in the description of the internship position at Allied Aircraft.

I want to reiterate my strong interest in the position. Please feel free to contact me at xxx-xxx-xxxXif I can provide you with any additional information.

Again, thank you for the opportunity to interview with you and for your consideration. Please extend my appreciation to the rest of the interview team as well.

Sincerely,

xxx
