Dear Mum,

Thank you for bringing me to this world! During the 20 years, you have done a lot for me, but suddenly I find that I have never stopped and said to you how much I feel the need to thank you! Now, Thanksgiving Day is on the way, I wish to express my thanks to you.

First of all, thank you for giving my life! You have not had me! You let me know how precious life is! You let me see the beautiful world! You give the chance to me know the people who love me and loved by me! Thank you, Mum! You are the greatest person in the world! I want to say, I love you!

Secondly, thank you for bringing me up! With your great care, I grow healthily and strong! When I was ill, you always took time off work to look after me! How worried you were! I know, that's your love for me! But when you were ill, I find that I never looked after you! When I think about this, I feel very ashamed! Sorry, mum, I should take care of you as your son, but! Besides, mum, do you know, you are such a terrific cook! I thank you for the years of eating your good cooking, the equal of which I had not found since! Mum, I want to say, I love you!

Lastly, thank you for teaching me how to be a human! I learned to tell the truth, to share, and to be forgiving and considerate of others. So I have a lot of friends and have a happy life! Thank you, mum! I love you!

Love from,

Son
