英语作文感谢信模板一篇

Dear friends,

Today I returned to my home. It is so nice to be back. I'd like to take this opportunity to express my heartfelt and sincere thanks for the comfort and encouragement you gave me during my stay in hospital.

Thank to the horrible accident, I have begun to treasure what I have now. It was your love that got me through the tough period. Your cards, flowers and smiling faces were like a warm fire in the dark freezing winter nights, which will always support me and give me strength.

Once more I would like to say "thank you" to you all.

Yours,

Li Ming

Dear Laura,

I was truly captivated beyond expression to receive your flowers which turned our living room into a garden. How considerate and wonderful of you to remember my birthday. You just couldn't have selected anything I had not liked more! You have a positive genius for selecting the right gift! The four years spent with you at the college have been the pleasantest period in my life. I will cherish this memory forever. How nice it would be to see you again.

More than kind, and I will never forget it. My love and deepest gratitude, now and always!

Sincerely yours,

Jane

英语作文感谢信模板三篇

Dear teacher,

I am writing to you to express my thanks for your help in learning English and speaking English.

During these days in your class, I have learned much from you and it is very helpful to me. Firstly, you let me know what is the west thinking pattern—straight thinking pattern. And, I think, it is very important to understand the west's thoughts. As you know, this can help me with my examination and interaction with foreigners. Secondly, I have got enough confidence in speaking in English from your class and it took me a long time to gain this confidence. Now, I always express my ideas in English as possible as I can. It's great to do that. The last not the least, I find that learning English is not an boring thing as before and I'm interested in studying English which was just a necessary task to pass examinations. Reading, listening or speaking all become interesting and I really enjoy it.

Above all, I want to say thanks again to you. And thank you for your time.

英语作文感谢信模板四篇

Dear Mom and Dad,

I love you! I love you with all my heart! This letter to you is totally my true feelings from the bottom of my heart.

Thank you so much for bringing me up! Thank you so much for raising me. I know how hard you've worked during the past years. I can imagine how many difficulties and obstacles you've conquered. I can imagine all the problems you have faced and all the sweat and tears you have shed to make my life better. I can fully understand what a huge responsibility it is to raise a child. You've been very patient with me. You've encouraged me and you've helped me. You've tried your hardest to give me the best things in life. You've made a lot of sacrifices and many difficult choices. I also know that you have great expectations of me. You want me to be very successful and happy. You want me to be the best person I can be. You want me to do great things with my life. You want me to make the world a better place. I know you have some hopes and dreams for my future.

Today I want to tell you something extremely important. Today I want to tell you that you don't need to worry about me anymore. I'm grown up! I will be responsible for my life and for my future. I will study very hard. I will exercise every day to keep fit. I will read English every morning and every night. I will make the best use of every spare minute. I will be happy, confident, positive and energetic every day! I will develop good habits and use them to constantly improve myself. I will never do anything that would harm my body or my mind.
