Dear Colleagues :

As a teacher in Department of Biology, Nankai University, a leading university in China, I am very pleased to take this opportunity to recommend one of my favorite students to your PhD program.

In September, 20xx, Miss Zhang was my students in General Biology, the first professional course they take in the field. She likes it very much. I teach her in an open and interactive manner, she is active and passionate

about answering class questions. Miss Zhang is bright, energetic and enthusiastic girl who loves speaking out her own ideas. She never escapes from those points of which she is skeptical. Apart from that, she often puts forward her ideas upon questions and exchanges all of her innovate ideas with me after class.

Upon ending of General Biology course, I asked my students to write an essay upon their understanding of biology. I discovered Miss Zhang ' s essay was so impressive and persuasive; her careful essay comes from dozens of references to Biology literatures. In essay Miss Zhang stretched out her creative thinking upon status quo of biological research and branches in the field of biology. All of this speaks to her creative and logical and scientific thinking capability. I am gladly to say that Miss Zhang has a clear understanding about General Biology, that comprehension has been reflected fully in her essay. Therefore Miss Zhang got a full point for her essay in her class, and other students took it as model essay for granted.

I believe Miss Zhang ' s industriousness, passion and dedication will make her an ideal candidate you are seeking for your program, so I highly recommend her without any hesitation to you. And I will greatly appreciate it if you could accept her into your program.

Sincerely yours,

Tanabata, to mention the name will make people think of the story of the Cowboy Weaver Tianyuan meet. How wonderful it is.

Today, I went to the streets to play, did not expect the streets full of people everywhere, the vehicle coming and going, crossing the road are very difficult. Looking around, everywhere are hand in hand, shoulder to friends. Girl's hands are holding a boyfriend to send flowers and chocolate. I think today is their most happy and happiest day, especially for girls.

My mother and I are shopping around the street. We first came to the shoe store. Just go in and see a man is a female confession, that woman is also embarrassed it! That man has been in the chase is willing to, that woman still dare not say. I do not know who called out "promised him", so everyone followed to say that the girl was shyly agreed.

I and my mother bought the shoes out, is talking about just that thing, suddenly I saw in a small alley, a man from the back out of a bouquet of flowers, give a girl, and then out from his pocket A small box, open a look, is a gem diamond ring. The man holding the ring kneel down to see that scene is sure to marry him. The girl soon agreed. Finally they hugged together.

...

Really Tanabata, I love you!

This is to announce that the university will organize a "Teach in the West" program. This program applies to all the undergraduate students on campus. The volunteers will teach at junior middle schools for a year in the west area, and the subjects are Chinese, English, Math, Physics and Chemistry. The specific locations of the middle schools are upon further notice.

Each year, many students from other universities volunteer themselves to work in the poverty-stricken areas of the west to try to improve the education level there. We should also take the lead in response to the appeal for offering aid to children in poor areas. The children need us. Let us hold out our helping hands to them and do whatever we can to help them.

Your participation will be very much welcomed. Anyone who is willing to apply for the program can contact either the Student Affair Office of the university or the Student Union office at working hours. For further information , please call 87653634 or 87653636.
