Directions:

Suppose you were taken good care of by Mr. Rogers, a friend of your father ' s, when you visited London the week before. Write a letter to Mr. Roger to express your gratitude in about 100 words. Do not sign your own name at the end of your letter, using “ Wu Ting ” instead. You do not need to write the address.

Dear Mr. Rogers,

It is my great pleasure to show my hearty thanks to you for your hospitality and courtesy to me during my stay in London.

Originally I only wanted to call on you and gave my father ' s regards to you, as it had been three years since you and he last saw each other. But you insisted that I stay in your house during my visit in London and took good care of my life as if I were a family member of you instead of the daughter of one of your friends. You really added greatly to my convenience and pleasure of the whole trip.

Thank you again for your kindness and I hope that I will have the opportunity to return your charming hospitality.

Yours faithfully,

Wu Ting
